Is 9:00 EDT too late? We can also meet at 8 EDT if it is better for you. Let me know.

How about early tomorrow morning. The earlier the better for me (but I'm on EDT now). What time works for you?

Yes! We can either do it late (after 5?) today or tomorrow am before 9.

What works for you?

We are in the hospital cafeteria...I miss you...but am glad for you that you are on vacation.

Cindy,

We need to touch base on some Pavillion and HF items. It probably would also be good if you, Deb, and I chatted a bit. Let me know when you have time.
